Results per page

10 Google's default (10 results) provides the fastest results.

Where results open

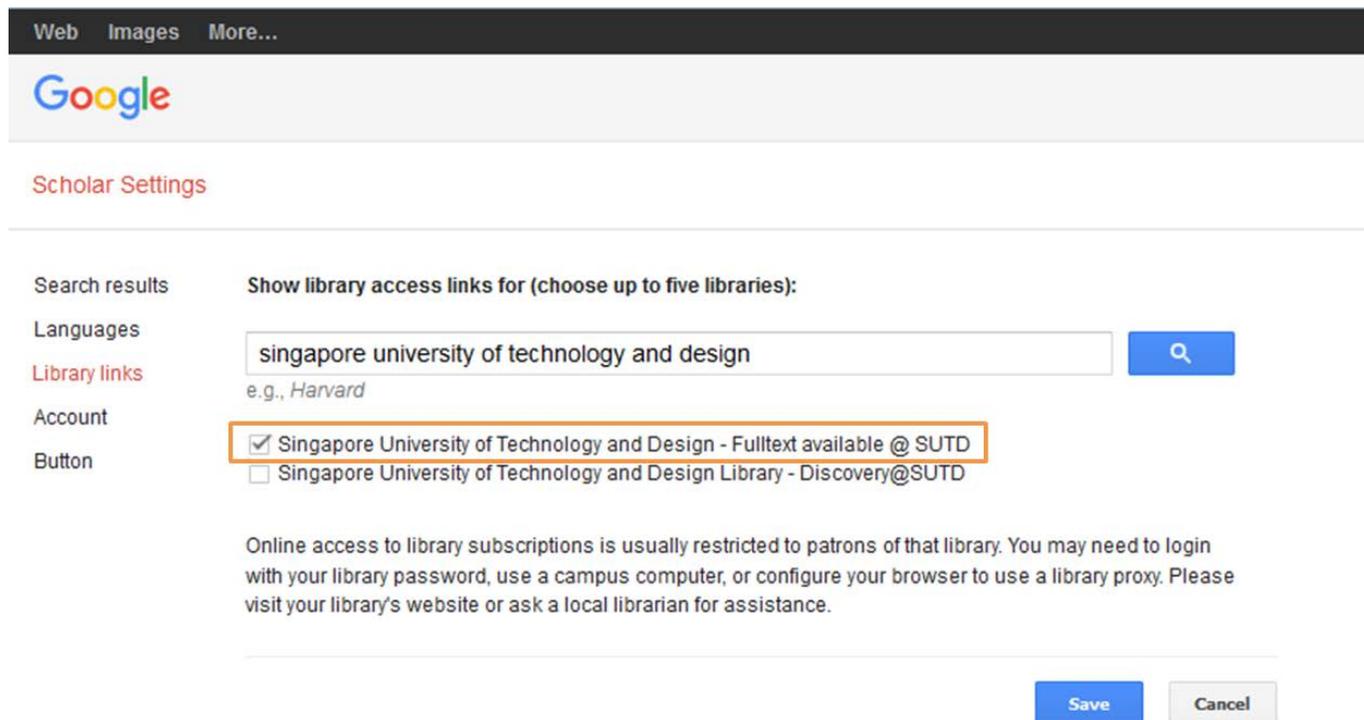

Open each selected result in a new browser window.

Bibliography manager

Don't show any citation import links.
 Show links to import citations into .

Step 4 Key in "Singapore University of Technology and Design" and click the search button. Check the box that appears and save the changes.

Note: do not select the second option, 'Discovery@SUTD', which is an outdated link. We will remove it soon.

The screenshot shows the Google Scholar interface. At the top, there are navigation links for "Web", "Images", and "More...". Below this is the Google logo. The "Scholar Settings" section is visible, with a sidebar on the left containing "Search results", "Languages", "Library links", "Account", and "Button". The "Library links" section is active, showing a search input field with "singapore university of technology and design" and a search button. Below the input field, there is a list of library options: "Singapore University of Technology and Design - Fulltext available @ SUTD" (checked) and "Singapore University of Technology and Design Library - Discovery@SUTD" (unchecked). A "Save" button and a "Cancel" button are located at the bottom right of the settings area.

Now you are ready to access many more full-texts within Google Scholar! **Continue reading this page** to see what the search looks like.
