Aiming for Integrity Quiz: How Well Do You Know Plagiarism?

This guide provides the answers (and answer explanations) to the questions in the [Turnitin "Aiming for Integrity Quiz"](#) on plagiarism.

1. What best describes the rightness or wrongness of plagiarism?

- ✓ Always wrong because it is theft and fraud
- ✗ Plagiarism is not a right or wrong kind of thing
- ✗ In some situations, it is OK
- ✗ There is nothing wrong with it

Explanation: Plagiarism is an act of stealing, because another person's work is taken without permission and without giving the original writer due credit. It is fraud because the plagiarist is misrepresenting who created the work.
