## HOW TO FIND E-BOOKS?

### >> OPTION 1

**STEP 1:** Search using [iSearch](#) via the Library Website. Enter in **search terms** and select **"Books"**

**STEP 2:** Refine your results by selecting **"Full Text Online"** under **"Show only"** on the side of the page

### >> OPTION 2

**STEP 1:** Browse the **full list** (to be hyperlinked) of e-book databases through the Library Website, A to Z Section

**STEP 2:** Login to the eBook database (please refer below for login instructions) and search for e-books

## HOW TO ACCESS E-BOOKS?

### >> STEP 1 Login to the eBook database using your SUTD Network Login

- SUTD Students – eDimension / WIFI Login and Password
  - SUTD Staff / Faculty – Network / WIFI Login and Password
- Click ["SUTD Library Policy and Guidelines on Use of eResources"](#) for more details.

### >> STEP 2 Register your personal account on the e-book database and login

### >> STEP 3 Read e-books online or download e-books to read

If you wish to download e-books to read, you may encounter the following two circumstances:

1. Download e-books in PDF files and read. \*Note – Downloads are subject to e-book publisher's restrictions. E.g. you may be only allowed to download up to one chapter.
2. You are required to install free e-book reader software to download the e-books to read. Some e-book publishers such as Ebscohost eBooks and ProQuest eBook Central require this.
  - \* For reading on a **computer**, please install [Adobe Digital Editions](#)
  - \* For reading on a **mobile device**, please install **Bluefire Reader App**, which can be downloaded via
    - [Google Play](#) (Android phones and tablets)
    - [iTunes App Store](#) (Apple iPhones, iPads, and iPod Touch)
    - [Kindle Fire App Store](#) (Kindle Fire Tablets)
